BETHLEHEM STEAL NEWS

JANUARY 2026

As we step into a brand-new year, we want to take a moment to reflect on what a wonderful close we had to 2025. Our Christmas party was a tremendous success—filled with great energy, laughter, and the sense of community that makes our organization so special. Thank you to everyone who attended and helped make it such a memorable celebration.

We are also incredibly proud of the generosity shown during our annual toy drive. Thanks to your support, we were able to make the holidays brighter for children spending their Christmas in the hospital. Your kindness and willingness to give truly embody the spirit of the season.

The new year is officially underway, and that means the start of our winter workouts. This is the perfect time to set new goals, stay active, and build momentum that will carry you through the colder months and beyond.

Thank you for being part of our community. Here's to a happy, healthy, and successful new year!

WINTER SKILLS CAMP!

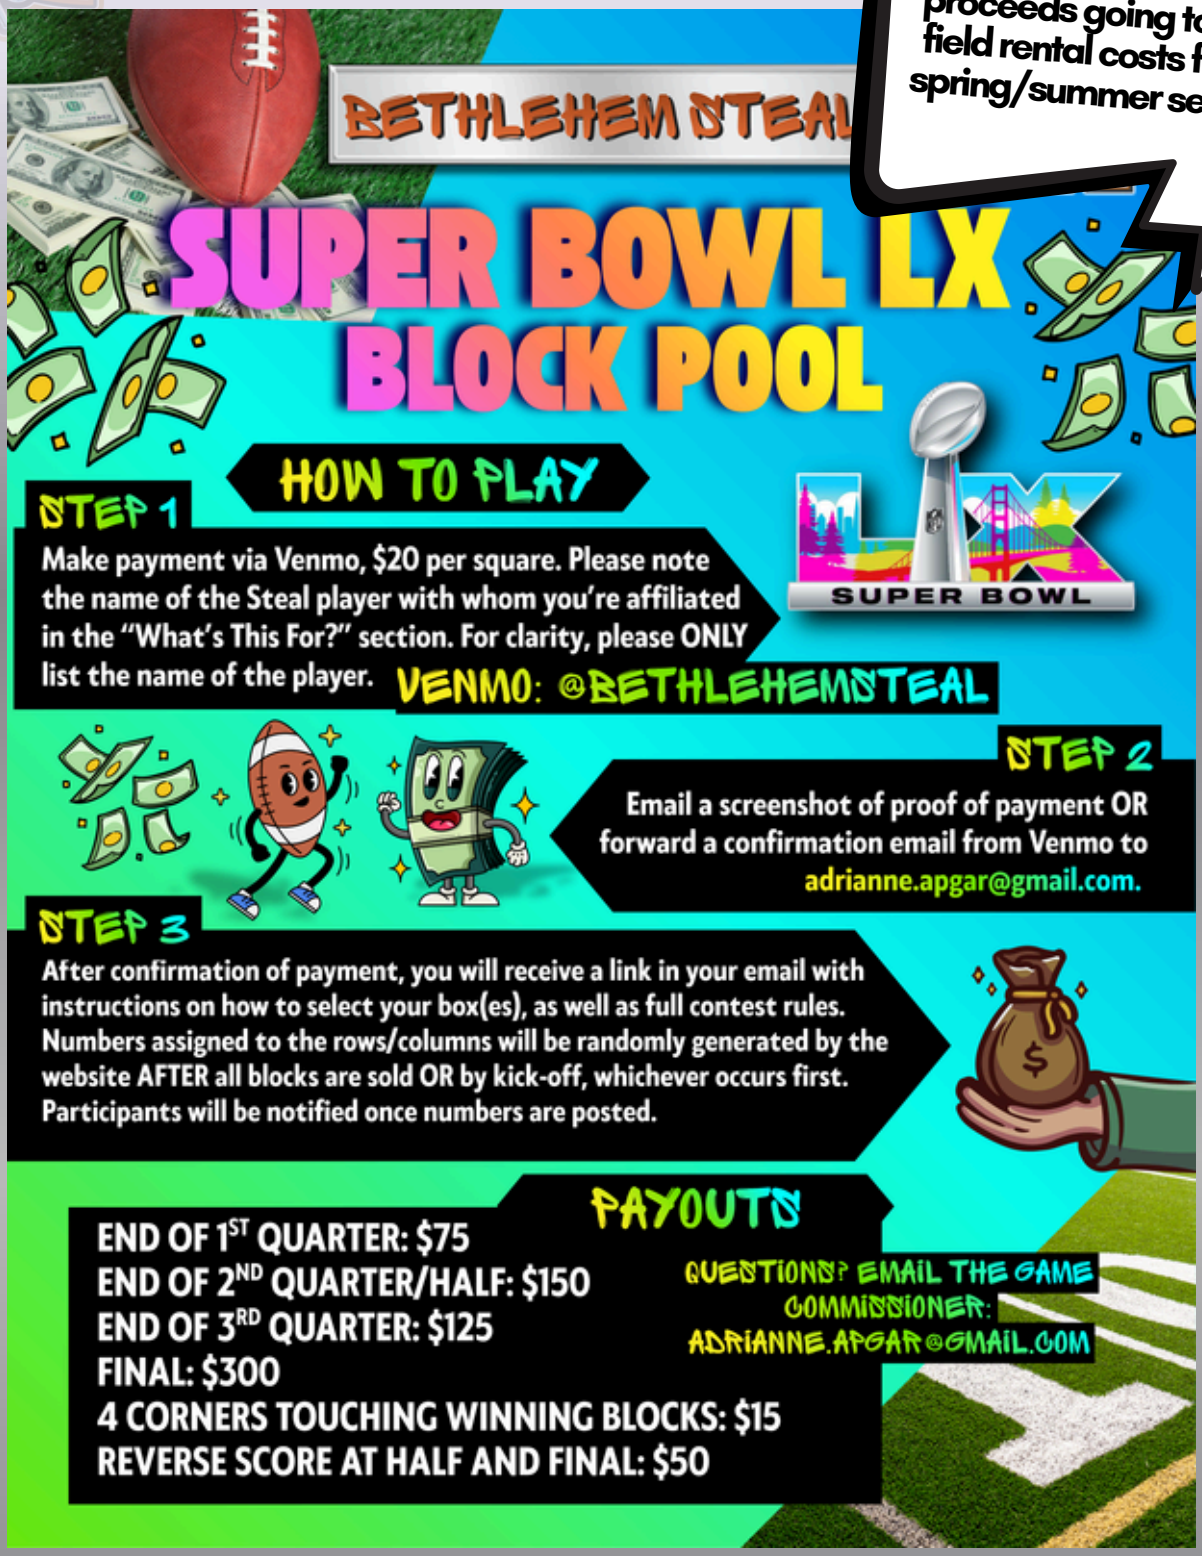

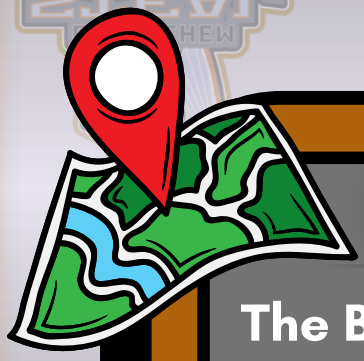

This is an organization-wide fundraiser, with proceeds going toward field rental costs for the spring/summer season!

NBLL FIELD UPDATE

The Board has been in ongoing discussions with NBLL in an effort to resolve the lack of available practice field space. For the upcoming spring/summer season, we will not be utilizing NBLL fields for practices, though tournaments may still be held there if our organizations are able to come to an agreement. We have already secured fields in Bath and are actively working on additional options in the Lehigh Valley. Please reach out to John with any specific questions.
