BETHLEHEM STEAL NEWS

July 2026

Welcome back! It's time for tryouts!

As we begin preparations for another exciting travel softball season, we want to thank each of our returning players and families for being an important part of our organization. Your commitment, hard work, and dedication have helped build a culture that we are incredibly proud of, and we look forward to seeing many familiar faces back on the field.

Tryouts mark the beginning of a new season filled with fresh opportunities, new goals, and continued growth. While each year brings changes to our teams, our mission remains the same: to provide an environment where athletes can develop their skills, compete at a high level, and represent our organization with pride, integrity, and sportsmanship.

For returning players, tryouts are more than simply earning a roster spot—they are an opportunity to showcase the progress you've made over the past year. We encourage every athlete to arrive prepared, compete with confidence, and demonstrate the work they've invested during the offseason. Our coaching staff looks beyond statistics and athletic ability. We value coachability, effort, leadership, teamwork, and a positive attitude just as highly as on-field performance.

As always, roster decisions are made thoughtfully and with the best interests of both the players and the organization in mind. Our coaches work collaboratively to place athletes where they will have the greatest opportunity to develop, contribute, and succeed throughout the season.

We also want to thank our parents for the countless hours spent supporting practices, tournaments, travel, and training. Your encouragement and commitment play a vital role in the success of every athlete and every team within our organization.

As we enter another season together, we ask every returning player to embrace the challenge of competing, supporting one another, and continuing to raise the standard that defines our club. The foundation of our success has always been our culture—one built on accountability, respect, hard work, and a shared passion for the game.

We are excited to see how each athlete has grown and look forward to another season of learning, competing, and creating lasting memories together. Thank you for being part of our softball family. We can't wait to welcome you back to the field and begin the next chapter of our journey together.

Sincerely,

THE Bethlehem Steal BOARD

NEW LOGO!

THIS WILL APPEAR ON OUR FALL UNIFORM SHIRTS, AS WELL AS ON THE NEW HELMETS!

NEW UNIFORMS!

COMING NEXT SPRING!

For the 2027 spring/summer season, all of our teams will have 2 uniforms; our current white with orange pinstripes, and the new Texas orange with white pinstripes.

We feel that simplifying the options will help keep the player fee affordable and allow us to manage our guest uniform stock more easily.
